Let Pete know that Anabel prefers that we tell her the person and she will set up the account or work with Dina to set up in their favorites in PPL+ but you could give him the SSID so he knows.

Kathy: Can you give Josh the account number to charge time for the Gold King Response.

Rob: Josh is the R9 attorney assigned to the response, and Max (David) Boone is our Doc Unit Leader in the EOC.

Josh: Rob is in the Area Command in Durango and will want to talk with you about documentation retention.

Hi Pete,

For site specific charging purposes, do we have a spill number yet for the Gold King spill?

Thanks,

Josh
